Cedar Hill Cross Road Watermain Upgrade Project

Borden Street To McKenzie Ave- Notice of Future Construction

Construction is Scheduled to Start in June 2025

What's happening?

Saanich Public Works Department will be upgrading the water main on Cedar Hill Cross Road between Borden Street and McKenzie Ave.

Why are we doing this?

This water main is due for replacement as part of our annual upgrade program to remove aging water main infrastructure and reduce service interruptions.

Construction Impacts

During construction, work will be taking place between 8:00 am and 4:00 pm from Monday to Friday.

During these hours, Cedar Hill X Road will be restricted to local traffic only between Borden Street and McKenzie Ave. Traffic control personnel and signage will be in place to help direct vehicles, cyclists and pedestrians through and around the work site as required. Access to businesses in the area will continue to be open, however some delays should be expected.

Some properties will have their driveway inaccessible for a short period of time. Public Works staff will notify residents of these times and try to accommodate any access concerns.

Some disruption to water service in the area will occur during construction. Public Works will notify residents a minimum of 24 hours prior to any planned water shut-offs.

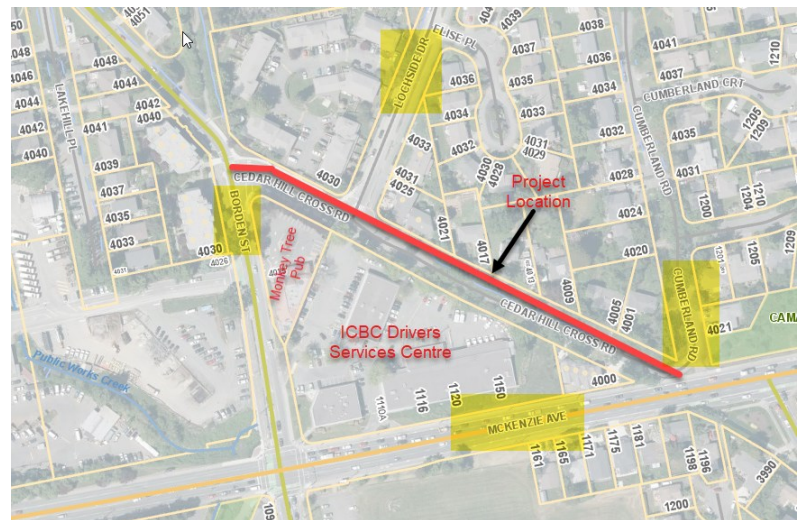

Garbage and recycling services will be maintained.

Project Timeline

The Cedar Hill Cross Rd watermain project is scheduled to start in June 2025 and continue for approximately three months.

Project Location

Cedar Hill Cross Road between Borden Street and McKenzie Ave. as shown below.
